Offers strong skill sets in BIM software, leadership, and organization. Education oriented with passion for future endeavors and opportunities.

### EXPERIENCE

INTERN | SPACE DESIGN |AMERICAS

**Steelcase Inc. | Sept 24' - Jan 25'**

Worked alongside a dynamic design team on a variety of projects from concept to execution, including showroom renovations and custom design elements. Gained valuable hands-on experience in space planning, brand storytelling, and collaborating across global teams.

- Assisted in creating conceptual designs, space planning, and the development of custom prototypes and furnishings.
- Supported designers in documentation, digital modeling, and presentation preparation.
- Gained proficiency in design software such as SketchUp, CET Designer, and Adobe Creative Suite.

NURSE TECH/ O.R. PATIENT CARE ATTENDENT

**Willis Knighton Health Systems | June 23' - August 23'**

Assisted in day to day operations of L&D and NICU to help maintain efficient running units. Also worked the nurses station to greet and communicate with NICU families during emotional times

- Following security measures to ensure patients' information is safe and confidential.
- Managing discharge documents, patient health history forms, admission and discharge documents, and other paperwork.

FRONT DESK AGENT

**The Cook Hotel and Conference Center at LSU | June 21' - October 21'**

Assisted in operations of Hotel and Conference center, while being a full-time student. Worked in fast-paced environment while being quick on feet and providing great customer service

- Greeted visitors and customers upon arrival, offered assistance, and answered questions to build rapport and retention.
- Served a combination of roles, including backup to the Front Office Manager, Inside Sales/Reservation Manager, and Interim Employee Trainer.
